

REMARKS

Reconsideration of this Application is respectfully requested.

Upon entry of the foregoing amendments, claims 1-5 and 15-30 are pending in the application, with claims 1 and 15 being the independent claims. Claims 6-14 have been canceled without prejudice or disclaimer. Because the foregoing changes introduce no new matter, their entry is respectfully requested.

Rejections under 35 U.S.C. § 112***Claims 1-5 and 25-30***

The Examiner has rejected claims 1-5 and 25-30 under 35 U.S.C. § 112 as being indefinite. In response, Applicant has amended claim 1 to more clearly point out the subject matter claimed. Claims 2-5 and 25-30, which depend from claim 1, are allowable for at least the same reason.

Allowable Subject Matter

Applicant thanks the Examiner for indicating that claims 1-5 and 24-30 would be allowable if rewritten in independent form and to overcome the rejection under 35 U.S.C. § 112. Applicant respectfully submits that the accompanying amendments to the claims overcome the rejection and claims 1-5 and 24-30 are now allowable. Applicant further thanks the Examiner for indicating that claims 15-23 are allowed.

CONCLUSION

All of the stated grounds of objection and rejection have been properly traversed, accommodated, or rendered moot. Applicant therefore respectfully requests that the Examiner reconsider all presently outstanding objections and rejections and that they be withdrawn. Applicant believes that a full and complete reply has been made to the outstanding Office Action and, as such, the present application is in condition for allowance. If the Examiner believes, for
